Communication

Q: What should we know about you that is not on your resume?

Your Answer:

Okay, uh, uh, the thing that is not mentioned on my resume is that I'm a good uh I have a good communication skills and I have also conducted uh communication coordinator as my later boot camp. And I have been uh I have been done a lots of public speaking event as well. And I am also a football player from my school days. And uh yeah, these are the things that is not mentioned on the resume.

Feedback:

ATTRIBUTE	DESCRIPTION
What went well	<ul style="list-style-type: none"> You mentioned skills and experiences not explicitly detailed in your resume, such as communication skills, coordinating a boot camp, public speaking, and being a football player. This directly addresses the question.
What could be better	<ul style="list-style-type: none"> You could provide more specific examples to illustrate your communication skills and public speaking experience. For example, instead of just saying you have good communication skills, you could say, I have experience leading daily stand-up meetings, which improved team coordination and reduced project delays.

Q: Could you give a specific example of a time your communication skills helped you on a project?

Your Answer:

Okay when I was working on a project like we I was working on a team project my one of my friends have was not aware about how the angular I was the friend was working on an angular project and he don't know that how to integrate pay in angular environment and at that time I told him about the ng zone which allow him to work with external APIs and there's one there are lots of scenarios like that when communication may a lot while developing in project. So this is one of the example.

Feedback:

ATTRIBUTE	DESCRIPTION
What went well	<ul style="list-style-type: none"> Your answer was relevant to the question, providing an example of a time communication skills were used on a project. You identified a specific technical problem (integrating payment in Angular) where communication was important.
What could be better	<ul style="list-style-type: none"> You could have provided more depth by explaining your communication strategy. For example, I explained the concept of ngZone and how it allows interaction with external APIs in a step-by-step manner, ensuring he understood each part before moving on. You could have elaborated on the positive outcome of your communication. For example, As a result, he was able to successfully integrate the payment gateway, and we completed the project on time.

Q7**A** Response Relevancy**Q** Communication**Q:** What skills are you currently trying to improve?**Your Answer:**

Uh like uh there are lots of skill I am trying to improve and one specific part is the public speaking like I have done couple of public speaking sessions but the thing is at the starting I got a little nervous while facing audience and that's the like I want to get used to it about how to handle that kind of pressure situation. So that's the one skill I am trying to improve.

Feedback:

ATTRIBUTE	DESCRIPTION
What went well	<ul style="list-style-type: none"> You identified a specific skill you are working on: public speaking. You mentioned experiencing nervousness, which provides some context for why you want to improve this skill.
What could be better	<ul style="list-style-type: none"> You could have provided more depth by explaining how improving your public speaking skills relates to your role as a Full Stack Developer. For example, you could have mentioned presenting technical information to clients or leading team meetings. You could have elaborated on the specific steps you are taking to improve your public speaking skills. For example, mentioning practicing presentations, joining a Toastmasters club, or seeking feedback from colleagues.

Q7**A** Response Relevancy**Q** Communication**Q:** What specific techniques have you found helpful in managing your nervousness before speaking?**Your Answer:**

Okay, currently I am doing like try to do what are the worst case in your that can possible before having a public speaking event. And also I try to engage in more physical activities like try to do push ups or some exercise that can manage my heartbeat. And I try to like try to try to manage myself in a better way to doing these kind of things.

Feedback:

ATTRIBUTE	DESCRIPTION
What went well	<ul style="list-style-type: none"> You provided a couple of techniques you use to manage nervousness. You mentioned visualizing worst-case scenarios, which is a relevant strategy.
What could be better	<ul style="list-style-type: none"> Your answer could benefit from more specific examples. For instance, instead of physical activities, you could mention a specific routine or exercise you do and why it helps. You could elaborate on how visualizing worst-case scenarios helps you. Does it help you prepare, or does it reduce anxiety by making the actual event seem less daunting? For example, you could have said, I do 20 push-ups right before. It helps me release nervous energy.

Q7**A** Response Relevancy**Q** Communication**Q:** What are your hobbies or interests outside of work?**Your Answer:**

Uh so I am I a person who like to uh like like to spend time with my friends and we usually go to turf and play football and cricket. And and I I really like to do MMA and I have been practicing Kalari to uh which is an martial art originated in Kerala. And also I have I have lots of hobbies like doing magic tricks and like talking with my friends. These are all the hobbies I have interested outside of the work.

Feedback:

ATTRIBUTE	DESCRIPTION
What went well	<ul style="list-style-type: none"> You provided several hobbies and interests, directly answering the question. You mentioned specific activities like playing football/cricket and practicing Kalari, giving concrete examples.
What could be better	<ul style="list-style-type: none"> You could have elaborated on why you enjoy these hobbies. Adding a sentence or two about the personal benefits or satisfaction you derive from each activity would add depth. For example, I enjoy playing football because its a great way to stay active and connect with friends. Consider structuring your response more clearly. Instead of listing hobbies, you could group them into categories (e.g., sports, martial arts, social activities) for better organization.

Q: Which martial art from Kerala have you practiced the most?

Your Answer:

Yeah the like the martial art I practice a lot he is qualified too. I trained it for one and half years and later like I got some personal issues while practicing and I dropped that and currently I am like I am pursuing my MMA training.

Feedback:

| What went well | <ul style="list-style-type: none">You mentioned practicing a martial art for a specific duration (one and a half years).You indicated a transition to MMA training. |
|----------------|--|

- | | |
|----------------------|--|
| What could be better | <ul style="list-style-type: none">The answer could be more relevant by explicitly naming the martial art from Kerala that you practiced.You could add depth by briefly describing what you enjoyed or learned from that specific martial art before transitioning to MMA. For example, I practiced Kalaripayattu for a year and a half, which significantly improved my flexibility and coordination. After facing some personal challenges, I transitioned to MMA to explore a broader range of combat techniques. |
